**Participation in the sessions:**

- Participation in practical sessions is mandatory. The permissible amount of absence during the semester is three times the number of weekly contact hours of the subject. If this is exceeded, the semester cannot be evaluated (Study and Examination Regulations (TVSz) § 8.1.)

**Type of assessment and evaluation:** examination

**Evaluation method and schedule:** writing two in-class tests

**Evaluation:** Achieving a performance of two in-class tests with a minimum passing rate of 50%. The material of the in-class tests is the material presented in the practical lessons, as well as the material of the literature specified in the course description. If the result of the in-class tests is insufficiently qualified, the semester ends with an insufficient term grade. Correction of an insufficient term grade is possible according to the Study and Examination Regulations.

**Tímea Makszim Györgyné Nagy Phd**, assistant professor
